Dear Parents,

Peace in the Lord!

This is to formally express our sincere appreciation for your whole-hearted support in the recently held Family Day last March 7 to 8, 2020. It was a very successful and meaningful school event where all families and children enjoyed. The "family spirit" was deeply felt in that occasion.

As our esteemed partners in the education of our common children, we would like to convey to you the message that Manresa School prioritizes the welfare of everyone in the school due to the ongoing global concern on COVID 19. With this, we came up with the following measures:

3. The use of GENYO as a supplementary instructional material shall be utilized for the academic requirements and modified PT's.
4. All on –line mode of learning shall be monitored and checked by the teachers.
5. The students' school materials that were deposited in their lockers can be taken during the enrollment days in coordination with the Principal's office.
6. The Grade 10 Thanksgiving Night on March 27 and Senior High School Turn – Over Ceremony on March 28 are cancelled.
7. There will be no Kindergarten Completion Ceremony. The Preschool pupils will receive their certificates together with the Report Cards on April 13, 2020.
8. The graduating students and Grade Eleven have to come to school to take the Final Examinations on the given schedules stated below:

MARCH 17, 18, 19 and 20 - GRADE 6 Level / GRADE Eleven (half day only; 7:15 to 11:30 a.m.)

Through this communication letter, we take this opportunity to thank you for the active cooperation and support you have given to your child and to Manresa School this SY 2019 – 2020. We have been delighted on the way our students have valued their formation in school as manifested in their active participation in school activities and openness to accept the academic requirements. We have received positive comments both in school and from outside community when the students participated in different competitions outside of Manresa School and those recognitions have lifted their spirit and have given them a great sense of pride. We both worked hard for the common good and we can say that we have achieved the Vision - Mission and the Institutional goals. We have maintained the good partnerships with the Department of Education, Philippine Accrediting Association of Schools Colleges and Universities, MUNTIPARLAS Consortium, Private Schools Association of Paranaque, and Diocese of Paranaque Catholic Schools Association. We also acknowledge the genuine service and collaboration of the different organizations in our educational endeavors, namely the Manresa School Parent Auxiliary (MSPA), Blessed Candida Maria Foundation (BCMF), and Manresa School Alumni Association (MSAA). Thank you very much.

To end this message, we hold true to the school's commitment of giving quality Catholic Education for the coming school year 2020- 2021. Let us continue to be faithful to our Loving Almighty Father who is the source of our strength, hope and life. God is with us at all times. Let us keep the faith.
